

YOUTH EXHIBITION POULTRY ASSOCIATION (YEPA)

www.youthexhibitionpoultry.org

CAN YOU CRACK THEM GAME.

This is fun by yourself or with two or more people. Have fresh eggs on hand along with several different sizes of books & weight. A square light piece of wood or heavy Styrofoam works well to place on top of the eggs on each corner. Use playdough or something similar to stand the eggs and hold them in place.

Let each child choose the books they want to stack on the platform. How many books can they stack without cracking an egg??

It would be interesting to weigh each contestants books to see who is the winner by weight.
