Showmanship Questions

Part 2

Below are some “possible” showmanship questions that might be asked during a competition. These are just suggested questions you might be prepared to answer, depending on your age group. The answers may take a little research. For the younger age groups most answers can be found in the APA or ABA Standard. All serious members in the exhibition poultry hobby should have a standard “the Chicken Bible” available to study . Don’t forget those all important 30 plus pages in the front of the book.

Be sure to read the “Fowl Facts”
